The 2013 budgets do not result in a violation of any applicable property tax or fiscal year spending limitations. All costs of establishing the Districts were paid by the Developer in 2012. The summation of these costs will be presented to the Districts' Board of Directors for approval and reimbursement to the Developer in the 2013 fiscal year. The organizational costs for each of the three Districts are included in the Capital Fund budget of each District. The on-going administrative costs for all of the Districts are consolidated into the District No. 1 General Fund budget.

ANTICIPATED PROJECTS

There are no anticipated projects for the 2013 fiscal year in any of the three Districts.
